

# CREATING MIND MAP USING VENNGAGE

BY

SUCHARITA MOHAPATRA

STUDENT TEACHER

S.N.D.T. COLLEGE OF EDUCATION, PUNE

# What is Venngage?

- Venngage is an online platform to design different things like poster, mind maps, graphs and charts etc.
- Its an open source to explore own ideas and concepts.
- It is user friendly and can be used in laptops, android and ios systems.

## Why Venngage is useful:

- As the education system is proceeding towards digitization, it is an useful tool to be explored and used.
- It provides multiple canvas at one platform.
