
ASSESSMENT THROUGH EXAM.NET

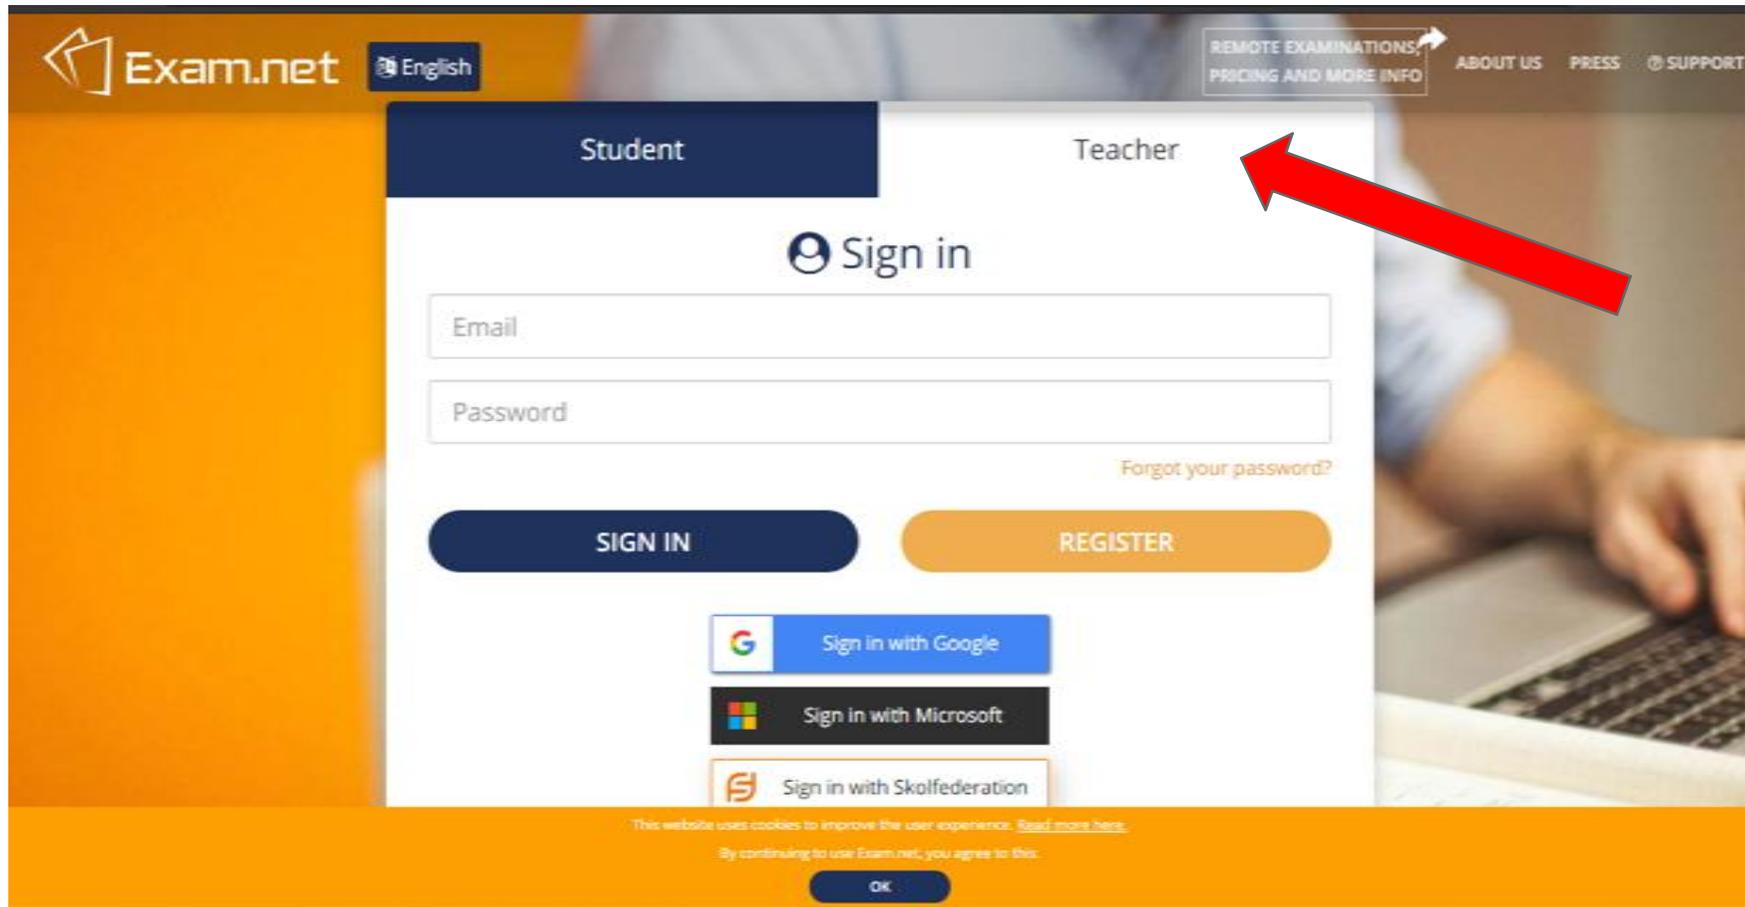

By
Mrs Suman Purohit Das
Principal
The Iconic School, Bhopal

Steps to Register and Create an Exam:

Step 1:
Type Exam.net in the address bar of the browser (Chrome/Edge/Safari/Firefox). You will get this screen

Step 2: Now click on Teacher tab

The screenshot shows the Exam.net website interface. At the top left is the Exam.net logo and a language selector set to "English". At the top right are links for "REMOTE EXAMINATIONS, PRICING AND MORE INFO", "ABOUT US", "PRESS", and "SUPPORT". Below the navigation bar are two tabs: "Student" (highlighted in dark blue) and "Teacher" (highlighted in white). A large red arrow points to the "Teacher" tab. Below the tabs is a "Sign in" section with "Email" and "Password" input fields, a "Forgot your password?" link, and "SIGN IN" and "REGISTER" buttons. Below these are three social login options: "Sign in with Google", "Sign in with Microsoft", and "Sign in with Skolfederation". At the bottom, a cookie notice states: "This website uses cookies to improve the user experience. [Read more here.](#) By continuing to use Exam.net, you agree to this." with an "OK" button.

Step 3: Start Registering yourself. Fill your email id and password and click Register

OK

Step 4: Click on Register Teacher

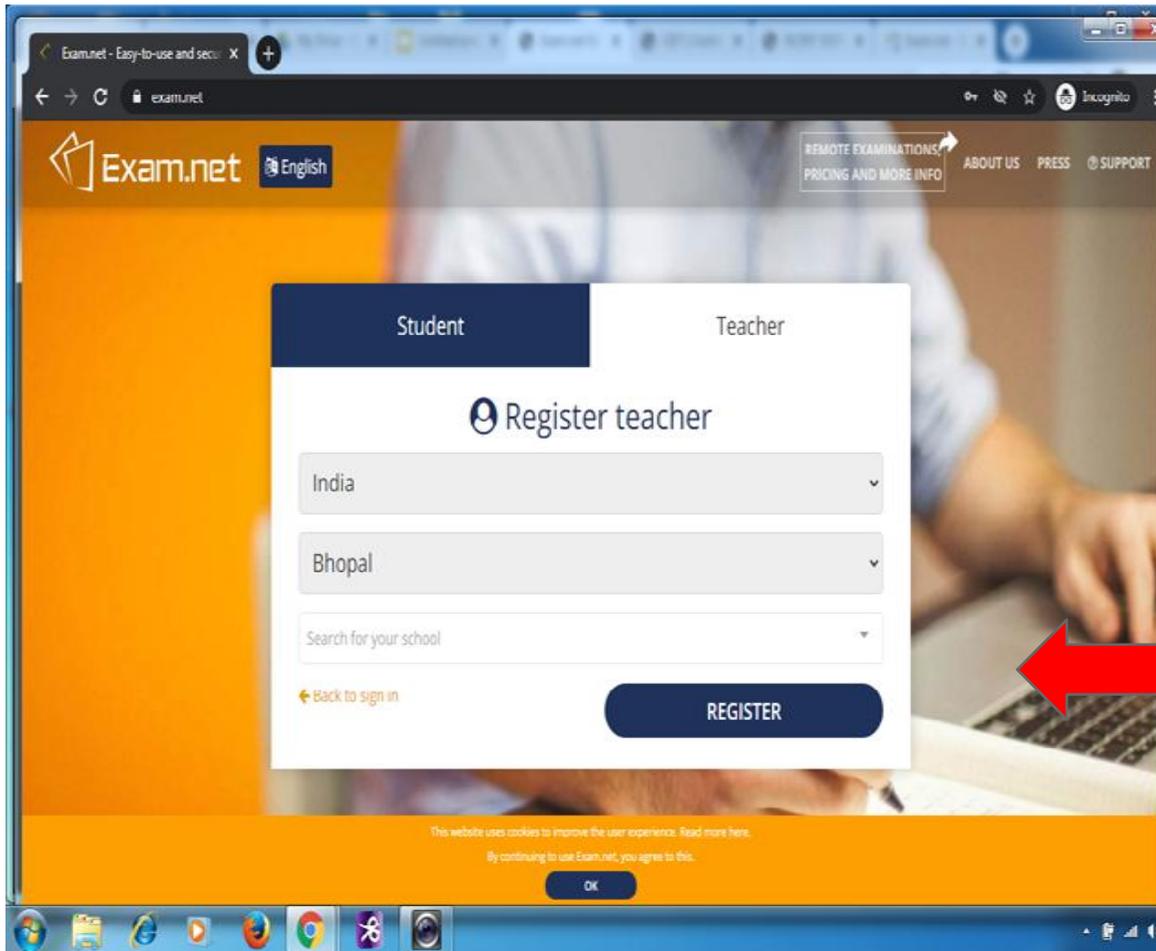

The screenshot shows the Exam.net website interface. At the top left is the Exam.net logo and a language selector set to 'English'. At the top right are navigation links: 'REMOTE EXAMINATIONS, PRICING AND MORE INFO', 'ABOUT US', 'PRESS', and 'SUPPORT'. The main content area features a modal window with two tabs: 'Student' (active) and 'Teacher'. Below the tabs is the heading 'Register teacher' with a user icon. A dropdown menu labeled 'Select country' is visible, with a red arrow pointing to it. Below the dropdown is a link '← Back to sign in'. At the bottom of the page, there is a cookie consent banner with the text 'This website uses cookies to improve the user experience. Read more here.' and 'By continuing to use Exam.net, you agree to this.' with an 'OK' button.

Step 5: Select the Country from the dropdown list as India

Step 6: Then select the Region from the dropdown list

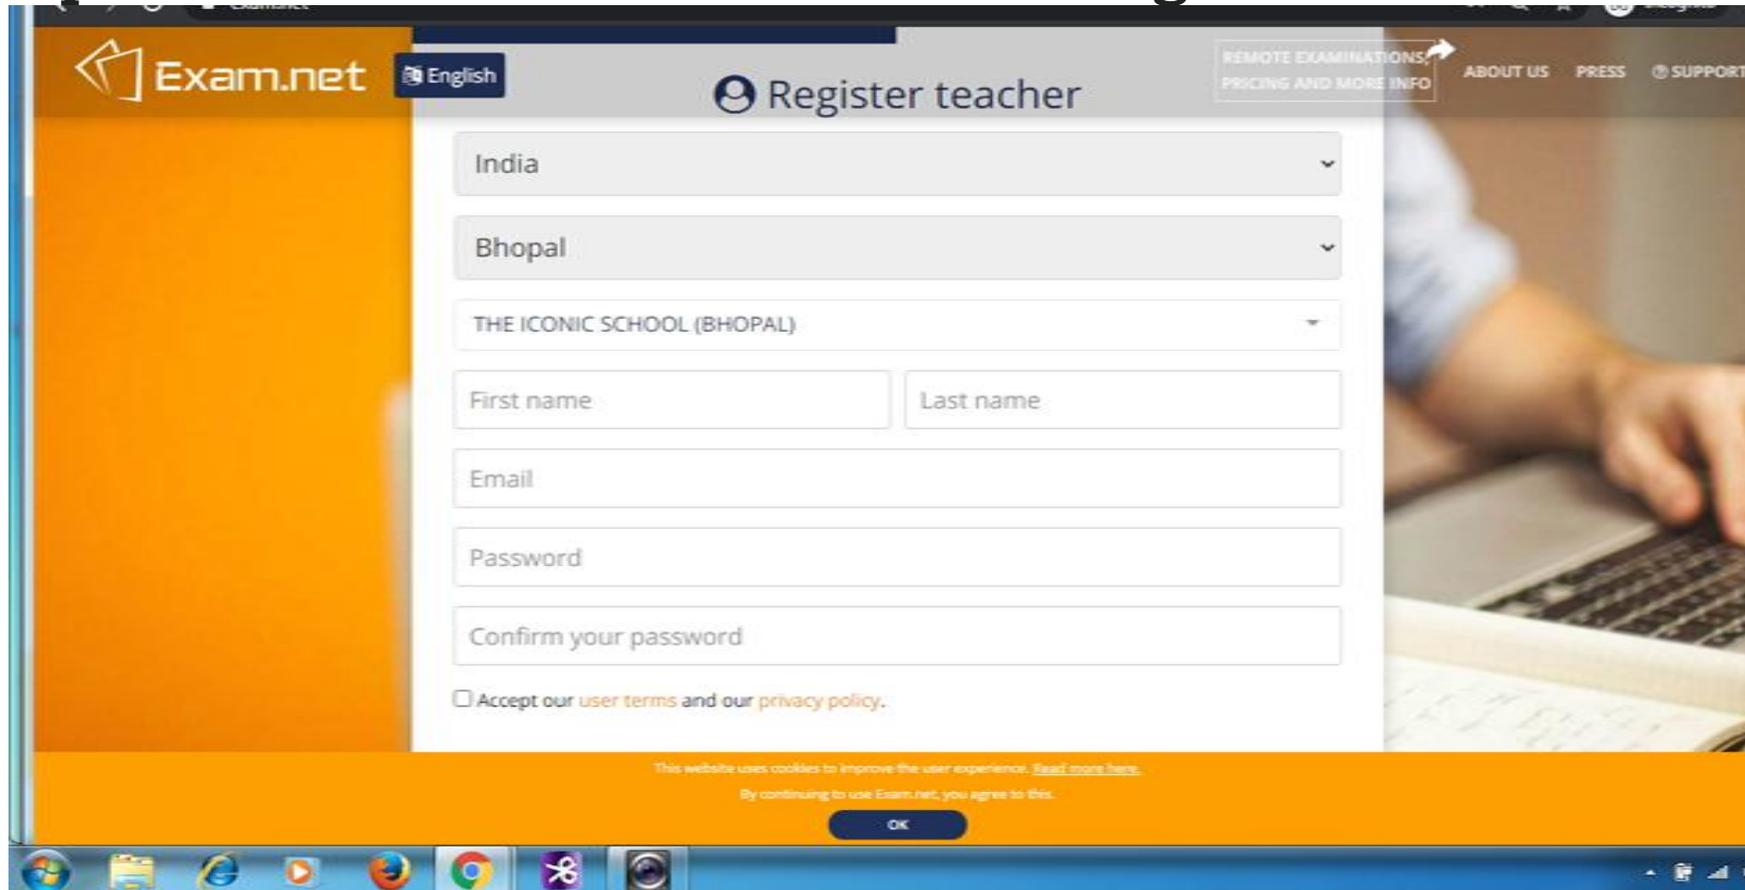

**Step 7: Now
Select the
school from
the dropdown
list and click
on Register**

If your school does not exist in the list then click add a new school.

The screenshot displays the Exam.net website interface. At the top left, the logo 'Exam.net' is visible next to a language selector set to 'English'. The top right navigation bar includes links for 'REMOTE EXAMINATIONS, PRICING AND MORE INFO', 'ABOUT US', 'PRESS', and 'SUPPORT'. A central dropdown menu is open, listing several schools: 'the sanskarvalley school (BHOPAL)', 'Tooryanaad -Maulana Azad National Institute of Technology (Bhopal City)', 'Tooryanaad Aahvan (Bhopal City)', 'tts (bhopal)', 'Tulsan Education Hub (Bhopal)', 'Vibrant india (Bhopal)', and 'YBRANT (BHOPAL)'. Below the list is a dark blue button with the text 'Click here to add a new school', which is highlighted by a large red arrow. At the bottom of the dropdown, there is a 'Back to sign in' link and a 'REGISTER' button. A cookie consent banner is visible at the very bottom of the page, with an 'OK' button.

Step 8: You will get a form. Fill it and create your password for Exam.net and click Register

The screenshot shows the Exam.net website's registration page for a teacher. The page has a dark blue header with the Exam.net logo on the left, a language selector set to 'English', and navigation links for 'REMOTE EXAMINATIONS, PRICING AND MORE INFO', 'ABOUT US', 'PRESS', and 'SUPPORT'. The main content area is white and contains a registration form with the following fields:

- Country: India (dropdown menu)
- City: Bhopal (dropdown menu)
- School: THE ICONIC SCHOOL (BHOPAL) (dropdown menu)
- First name (text input)
- Last name (text input)
- Email (text input)
- Password (text input)
- Confirm your password (text input)
- Accept our [user terms](#) and our [privacy policy](#).

At the bottom of the form, there is a blue 'OK' button. Below the form, a footer bar contains a cookie notice: 'This website uses cookies to improve the user experience. [Read more here](#). By continuing to use Exam.net, you agree to this.'

The background of the page features a blurred image of a person's hands typing on a laptop keyboard.

Now, you are ready to create class & exam

The screenshot shows the Exam.net web interface. At the top, there is a navigation bar with the Exam.net logo and several menu items: 'New exam', 'Exam list' (which is highlighted), 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. The user's email address, 'principal@iconicschool.in', is visible in the top right corner.

The main content area is titled 'My Exams' and features a table with the following columns: 'Exam name', 'Exam key', 'Created', 'Status', and 'Open/closed'. There is a search icon in the top left corner of the main area.

Exam name	Exam key	Created	Status	Open/closed	
Physics 12 PA-1	fu5RP4	2020-06-24		<input type="checkbox"/>	

Below the table, there is a 'New Exam' button. At the bottom of the main content area, there is a 'Create New Group' button.

The Windows taskbar is visible at the bottom of the screen, showing icons for various applications like Chrome, Firefox, and File Explorer.

Create Exam

The screenshot shows the Exam.net web application interface. At the top, there is a navigation bar with the Exam.net logo on the left and several menu items on the right: 'New exam' (highlighted in orange), 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. Below the navigation bar, the main content area is titled 'Create New Exam'. It features a text input field with the placeholder text 'Enter the exam name' and a small note below it: 'Assign the exam a name (shown in the Exam list)'. Below this, there is a section titled 'Exam Questions' with a help icon. This section contains three radio button options: 'No digital exam questions' (which is selected), 'Use a PDF file', and 'Write exam questions'. Each option has a brief description: 'The questions are given outside of the system, e.g. orally or on a piece of paper.', 'Add or change your choice of a PDF-file. You can add additional PDF files under "Accessibility"', and 'Write your questions here, or paste from Microsoft Word.' respectively. At the bottom of the screen, a Windows taskbar is visible with icons for various applications like Internet Explorer, Google Chrome, and a camera.

Options for students workspace

The screenshot shows the 'Student Workspace' settings page in the Exam.net interface. The top navigation bar includes the Exam.net logo and several menu items: 'New exam', 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. The main content area is titled 'Student Workspace' and contains three settings sections:

- Writing area:** A green toggle switch is turned on. Below it, the text reads 'The student is given an area to write answers in.' To the right, there is a link that says 'Limit the number of words'.
- Spell check:** A dropdown menu is set to 'No'. Below it, the text reads 'Checks the spelling and gives suggestions to misspelled words.'
- Scan hand written solutions with a mobile phone:** A grey toggle switch is turned off. Below it, the text reads 'Gives the student the ability to scan hand written solutions. It does not require any specific app, but the device need to be able to read QR codes (built into the camera of most modern phones).'

The Windows taskbar is visible at the bottom of the screen, showing icons for various applications like Internet Explorer, Chrome, and a camera.

Select tools to be given to the students during exam

The screenshot displays the Exam.net web interface. At the top, a dark blue navigation bar contains the Exam.net logo on the left and several menu items on the right: 'New exam' (highlighted in orange), 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. Below the navigation bar, a white content area features a descriptive text: 'Gives the student the ability to scan hand written solutions. It does not require any specific app, but the device need to be able to read QR codes. (built into the camera of most modern phones)'. This text is followed by four expandable menu items, each with a downward arrow and a plus icon: 'Accessibility tools', 'Audio files', 'Subject tools', and 'External resources'. At the bottom of the content area, a dark blue bar labeled 'Security' is visible. The entire interface is shown within a Windows operating system window, with the taskbar at the bottom displaying icons for various applications and system utilities.

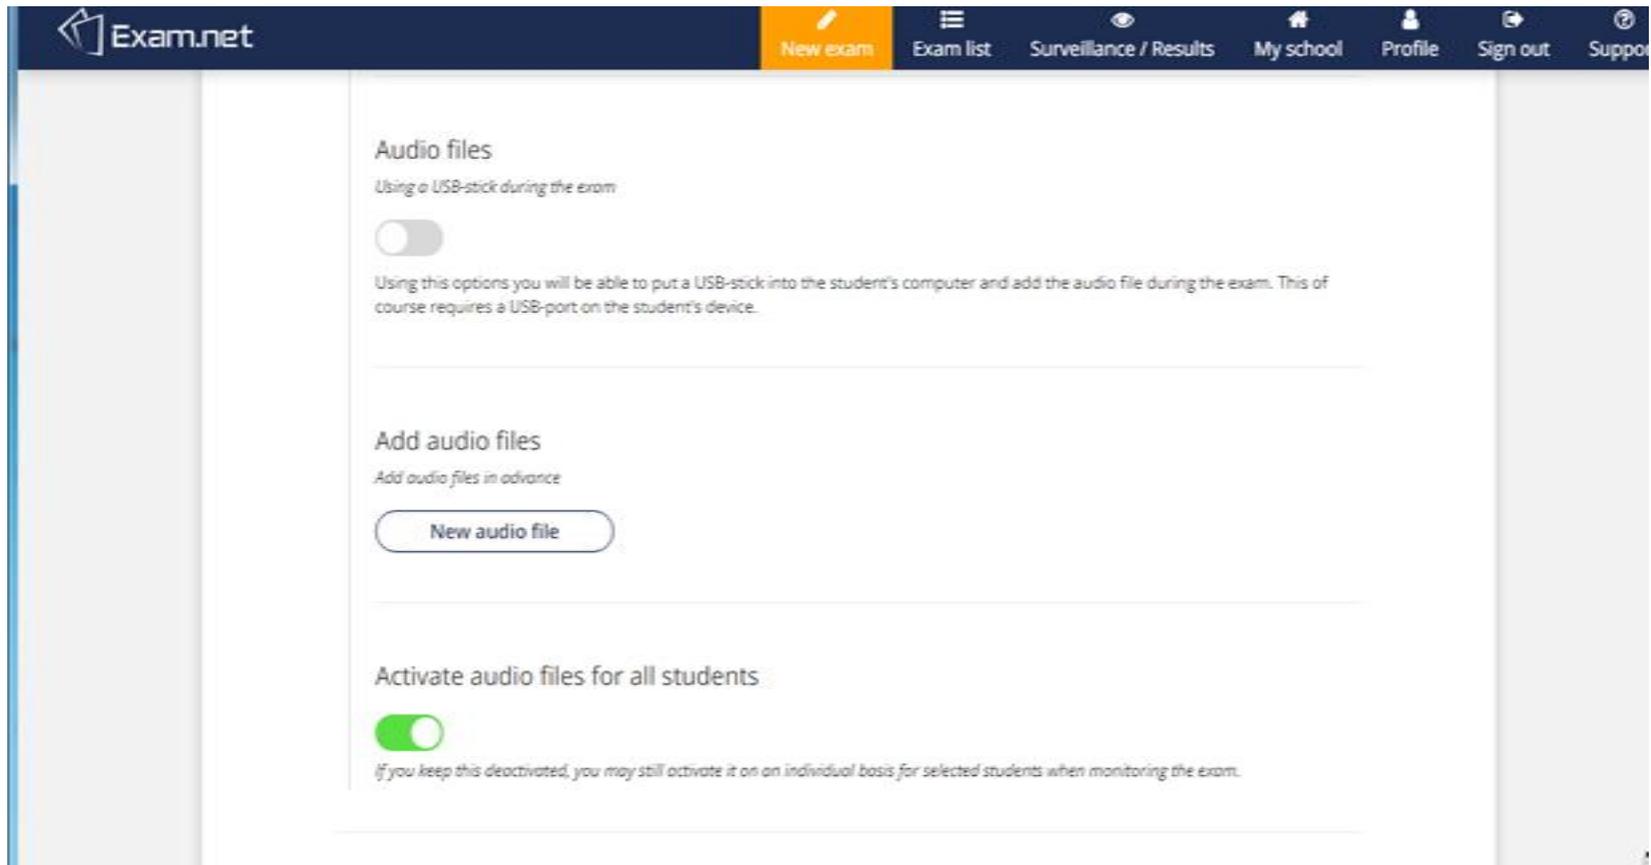

Accessibility tools

The screenshot shows the Exam.net interface with a dark blue header. On the left is the Exam.net logo. On the right are navigation links: 'New exam' (highlighted in orange), 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. Below the header is a section titled 'Accessibility tools' with an expandable arrow icon. It contains three settings, each with a toggle switch and a descriptive text:

- Allow translation help**: The toggle is turned off. Description: *Gives the student access to translation help for sentences or single words, in many languages.*
- English synonyms**: The toggle is turned off. Description: *Enables the student to get synonyms for English words.*
- Speech synthesis**: The toggle is turned off. Description: *Gives option to read aloud text which is part of the exam or text that the student produces. Note that images and PDF-files can't be read but only material which is provided as text.*

At the bottom of the section, there is a note: *This activates the function for all students. You may also activate it individually during exam surveillance.*

Audio tools

The screenshot shows the Exam.net user interface. At the top, there is a dark blue navigation bar with the Exam.net logo on the left and several menu items on the right: 'New exam' (highlighted in orange), 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. Below the navigation bar, the main content area is divided into three sections:

- Audio files**
Using a USB-stick during the exam
 (disabled)
Using this options you will be able to put a USB-stick into the student's computer and add the audio file during the exam. This of course requires a USB-port on the student's device.
- Add audio files**
Add audio files in advance
[New audio file](#)
- Activate audio files for all students**
 (enabled)
If you keep this deactivated, you may still activate it on an individual basis for selected students when monitoring the exam.

Subject tools

Drawing tool

Gives the student a tool to draw pictures which may be attached to their solution

[add background image](#)

Calculator

Gives the student access to a calculator

Surveillance & Tracking of Students

The screenshot shows the Exam.net interface for a Physics 12 PA-1 exam. The top navigation bar includes 'New exam', 'Exam list', 'Surveillance / Results', 'My school', 'Profile', and 'Sign out'. The user is logged in as 'principal@ic'. The main content area is titled 'Physics 12 PA-1' and has a bell icon for notifications. On the left, a search box for 'Physics 12 PA-1 (fu5RP4)' lists three students: Himani Das, Rashmi Verma, and Test Person, all with green checkmarks. The main panel shows 'Status and actions' and 'Individual settings'. The exam key is 'fu5RP4'. There is a toggle for 'Open for new students' which is currently off. Below this, it states 'Students entering the exam will reach a lobby until you open the exam'. A summary section shows 2 students 'Started the exam', 2 'Submitted the exam', and 0 'Ongoing'. At the bottom, there are five action buttons: 'Force submission for students', 'Set a timer for the students', 'Individual exam keys to resume the exam', 'Anonymous identities', and 'Filter students'. The Windows taskbar is visible at the bottom of the screen.
