# Objectives of this Session

1. How to connect teachers with students and parents to build amazing classroom communities through ClassDojo.
2. How to use ClassDojo for Remote Learning.
3. Students can showcase and share their learning by adding photos and videos to their own portfolios.
4. Teachers can encourage students for any skill or value – whether it's working hard, being kind, helping others or something else.

Community is a group of people living in the same area working towards a common goal.

**Educational Community:**

Students, Parents, Teachers and School Leaders are Educational Community.

# Why Build a Community

It allows us to support one another, interact, share experiences and our modern Technology. Having this open bond with others is what builds valuable relationships, and gives us a deeper sense of belonging. Educational Communities are also rich in resources.

Remote learning is where the student and the Teacher, or information source, are not physically present in a traditional classroom environment.

Information is relayed through technology, such as discussion boards, video conferencing, and online assessments.

Scan above QR Code to

<https://www.classdojo.com/>

# Why Remote Learning Important

Easy Access. Whether due to remote location or being differently-abled, some students lack basic access to educational facilities. Remote learning programs offer every student the opportunity to learn and improve themselves in the environment they find the most effective.

Class

Sign in through this Website

<https://www.classdojo.com/>

Consistency

## Stay connected

In-person or remote, your routines remain

- Intuitive, easy-to-use interface
- Messages + School and Class Stories keep everyone connected
- Manage your school's **Directory** so that your community is always up-to-date

“ClassDojo has allowed us a seamless transition into remote learning! 🙌 It has been the command center for my art instruction for the last two years, and has unified our whole school. Staying connected is more important now than ever!”

- Bonny Ramirez Art Teacher at Benavides STEAM Academy

Consistency

## Consistent Learning

At home and school

- **Lessons and activities** are always accessible
- Students can share to their **Portfolios** from anywhere!
- **Tools** for attendance and check-ins with students allow teachers to complete administrative tasks.
- **Customizable** ways to encourage behaviors

<https://www.classdojo.com/>

Community

## Going school-wide

Everyone in one place means our entire school community is remote ready!

- **Schedule** school-wide **Events** like Zoom parent info nights.
- **Manage our school's directory** of students, teachers, and staff.
- **Access insights around engagement** and communication.
- **Join teacher's classes** to be a part of their classroom communities.

Scan above QR Code to  
Download ClassDojo App

Scan above QR Code to  
Join Live Remote Learning  
Class

Sign in through this Website

<https://www.classdojo.com/>

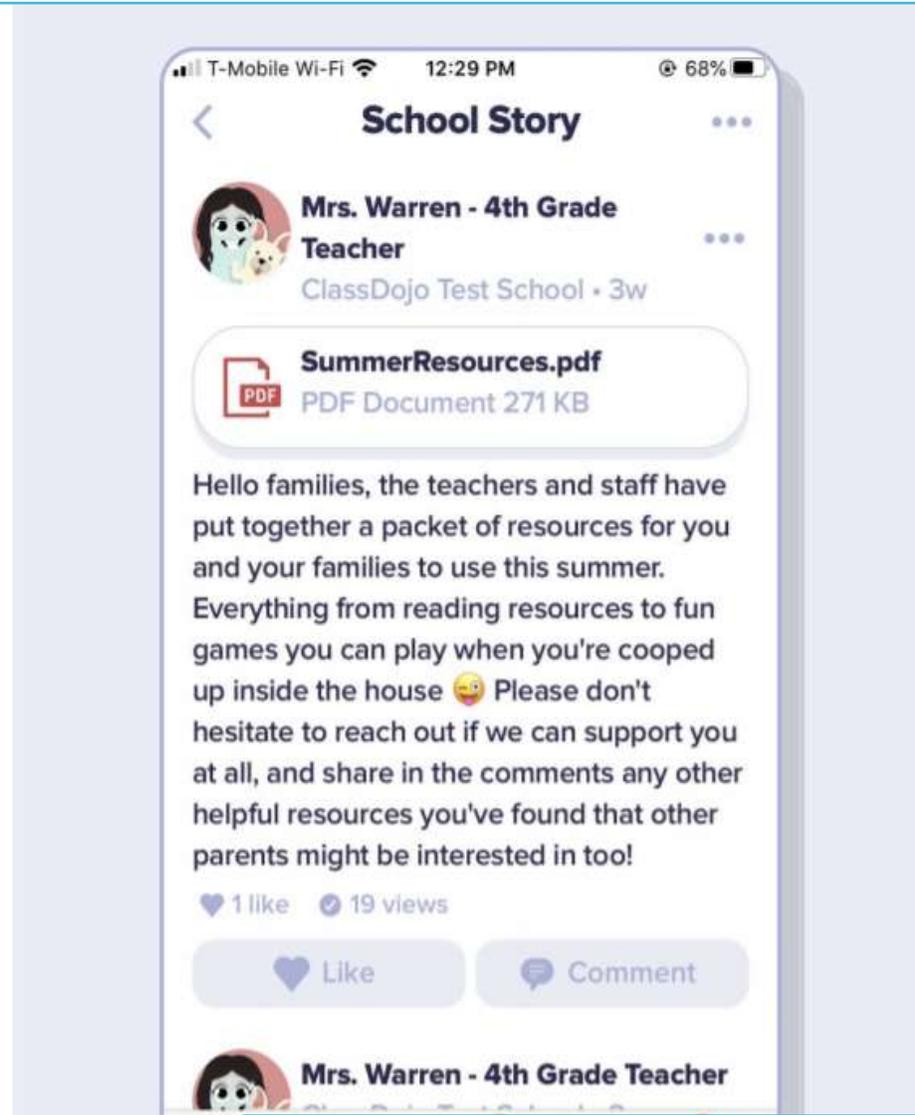

# Share photos and videos

Community

## School Story

Share school-wide updates.

- A **private feed** to **share photos and videos** of school-wide moments
- Be confident that ALL families have the information they need by **seeing which parents view your posts**
- **Send announcements and files**, like newsletters, to our entire school community

# Teachers can share Lessons

Community

## Class Story

Have teachers share moments, lessons, and more!

- A private feed to **share photos of field trips, video lessons, and files** with students and families (and see who actually viewed your post!)
- Create **Events** with automatic reminders for assemblies and video meetings
- Turn on **parent and student comments** to engage them in the conversation!
- Become a co-teacher in teachers' classes to engage with Class Stories, view student work in Portfolios, and connect with families through Messages.

# Connect with Parents

**Connecting with every family**

Improve communication between teachers and parents

Scan above QR Code to  
Download ClassDojo App

Scan above QR Code to  
Join Live Remote Learning  
Class

Sign in through this Website

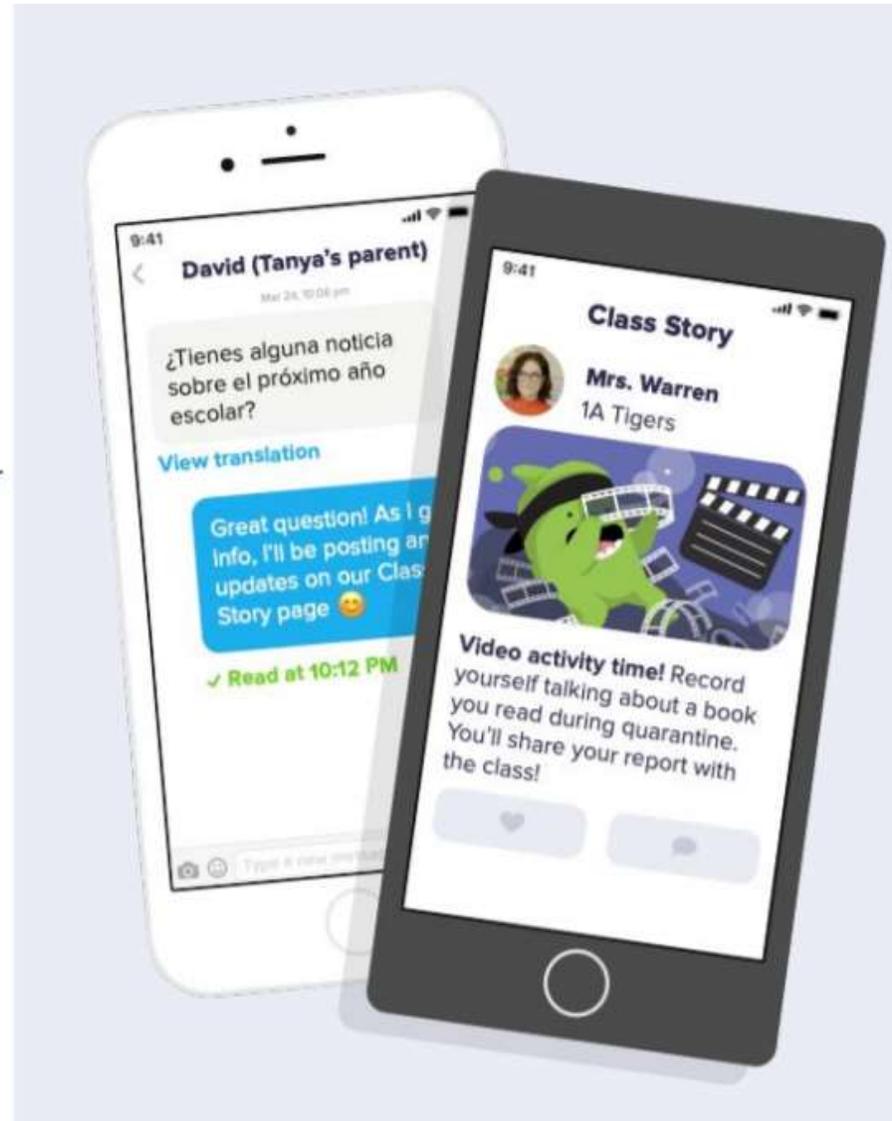

<https://www.classdojo.com/>

Connect and Communicate

## Messaging

Build 1:1 connections and families stay connected even if their contact information changes.

- **Automatic translations** mean language is never a barrier
- **Read receipts** let you know when parents view your message
- **Scheduling** allows you to set up reminders and updates ahead of time
- **Send files and photos** to differentiate and provide resources for specific families
- + **Quiet hours!**

# Step 17

The screenshot shows a web browser window with several tabs open: (60) WhatsApp, Join conversation, NCERT Online Webinar - ClassD..., and ClassDojo for Teachers. The active tab is ClassDojo, displaying the URL [teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points](https://teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points). The page content is a 'Demo Class' interface with tabs for Classroom, Portfolios, Class Story, and Messages. A modal window titled 'Edit Demo Class' is open, showing the 'Students' tab. Under 'STUDENT SIGN IN METHOD', there are two buttons: 'Classroom login' (with 'Show class instructions') and 'At home login' (with 'Show home instructions'). Below these are '+ Add students' and a list containing 'Student 1'. The Windows taskbar at the bottom shows the time as 9:27 PM on 9/3/2020.

# Step 19

The screenshot shows a web browser window with the URL <https://teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points>. The page title is "How will your students log in?". There are three main options:

- Scan QR Code:** Recommended for camera-enabled devices. Students log in by scanning your class code.
- Enter text code:** Recommended for devices without camera OR 1:1 devices. Students log in by typing a 6-character code.
- Sign in with Google:** Recommended for students with their own Google accounts.

Below the "Enter text code" option, there is a blue button labeled "Confirm QR Sign in" and a link "Need help? FAQs are here".

# Step 20

The screenshot shows a web browser window with the URL [teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points](https://teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points). The page features a 'Class QR Code' section with a large QR code and a 'Student instructions' section. The instructions are:

1. Open ClassDojo app or website: [dojo.me](https://dojo.me)
2. Click "Use QR Code", OR tap "I'm a student" on the app
3. Scan DojoCode to join class

Below the instructions, there is a 'Print QR Poster' button and a language dropdown menu set to 'English (US)'. At the bottom of the page, there is a button that says 'Student login for home? Download individual student QR codes'.

### 3 steps to connect students

**In class:**

- 1. Print it**  
Print Student Login Poster (next page).
- 2. Pin it**  
Pin your Student Login Poster to a classroom wall, or one to each wall! Tip: Pin poster low enough for students to reach.
- 3. Scan it**  
From the app or classdojo.com, scan the QR code from the Student Login Poster. Students may need to log out of existing accounts.

**At home:**  
Hand out individual QR codes (attached) so students can log in at home. Students can also log in directly from their parent's account.  
Once students create accounts they'll be able to add to their portfolio, view feedback, and customize their monster!

# Step 23

The screenshot shows a web browser window with the URL [teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points](https://teach.classdojo.com/#/classes/5f5111d3f1ed6317a6f8d79e/points). The page displays the ClassDojo logo and the text "Class Text Code" with a link to "Change Sign in method". A large blue box contains the text code "V S G T N X". Below this, a note states: "Students can sign in with this code for the next 48 hours. They won't need a new code as long as they don't log out." Underneath, "Student instructions:" are listed:

1. Open ClassDojo app or website: [dojo.me](https://dojo.me)
2. Click "Enter Text Code", OR tap "I'm a student" on the app
3. Enter the text code to sign in

At the bottom right, there is a button that says "Student login for home? Download individual student QR codes".

# Step 26

The screenshot shows the ClassDojo website interface. At the top, there are browser tabs for WhatsApp, NCERT Online Webinar, and ClassDojo for Teachers. The main content area displays a grid of class cards, each with a globe icon and class details. The right sidebar shows the profile of Mr. Manohar Subramanian, a teacher at Panchayat Union Primary School, Velliyani. Below the profile, there is a message stating that the school does not have a ClassDojo Mentor yet, with buttons for 'Email us for help' and 'Change School'. At the bottom, there are links to popular teacher resources.
