Staying Safe

Job Frauds

- Names of reputed companies taken.
- Offers made are usually too good to be true.
- Caller asks for bank details
- Sometimes, they may ask you to make payments for securing the job.

Home / India / Woman working with IT firm duped of Rs 8.6 lakh in online fraud

Woman working with IT firm duped of Rs 8.6 lakh in online fraud

They interacted with the complainant over phone and other online mediums and assured her a good job with more salary in a major firm. Police said fraudsters used fake names while speaking to the complainant.

LIVE BLOG

Job Frauds

- Always crosscheck job openings on official websites.
- Never make any payments for a job.
- If you receive calls/mails, crosscheck with company/website.

Staying Safe from Vishing Attacks

- Always complete KYC by visiting authorized centers or using official websites
- Never share any personal/confidential details with anyone.
- To find customer care details, search for support within the app/platform or visit the official website

Staying Safe from Vishing Attacks

- If you didn't participate in a lottery, it is unlikely that you won.
- All information related to your bank accounts and ATM cards will be shared on your registered email id/mobile from the bank's official mail.
- Fake lottery letters are created easily. **NOTHING COMES FOR FREE.** Beware of such scams.
