INTRODUCTION

- PaperShala is an online exam software.
- Provides online examination services to educational & coaching institutes.

PAPERSHALA FEATURES

- Student registration
- Student verification
- Question bank preparation
- Exam schedule options
- Exam resume option
- Instant report card
- Overall student report

many more.....

ADVANTAGES

PaperShala

- Easy Navigation
- Unlimited Exams
- Unlimited Questions
- Rich Experience
- Free : with more than limited features
many more.....

Comfortable on all screens

PaperShala online exam software works on all devices no matter which is a desktop, laptop, tab or mobile. So don't need to think about comfortability. PaperShala works on every screen.

- Desktop Support
- Laptop Support
- Mac Support
- Tab Support
- Mobile Support (All smartphones including Android & iPhone.)

PaperShala is purely browser-based application so don't need to think about system comfortability. Our cloud based exam software will work even on low RAM devices.

Multifunctional Question Bank

PaperShala brings a Question bank feature where you need to upload your questions. Once you upload your questions then you can use these questions during exam paper creation. Here PaperShala also tells you about every possible minor thing of any particular question like total attempt, total wrong etc.

- Multiple Choice Questions
- Can customize about options quantity
- Total served count
- Total attempt count
- Total Correct count
- Total InCorrect count

Student Dashboard

PaperShala offers a separate student panel where students can give exams, check their results, check overall performance, subject wise result, classwise result, can view his/her institute details.

- **Featured Dashboard** Which tells how many exams need to attend, how many he passed, how many he failed, A graphical interface which shows his performance paper by paper.
- Complete Paper Analysis
- Result overview with graph
- Class Rank wise result
- Profile section

Through the help of student panel, Student can check their old results anytime and if admin wants then they can reattempt any particular paper.

Powerful Admin Panel

We know if you want to use our online exam software then you want all rules according to your need. That's why we design the powerful admin panel. Here you can do everything which is related to online exam. All possible functions added to your admin panel. You just need to use these functions according to your need.

- Users – Add / Edit / Delete / Password Reset
- Questions – Add / Edit / Delete
- Papers – Add / Edit / Delete
- Institute Profile – Edit
- Result – Paper Wise Result / Student wise result / Detailed student result
- Separate Student registration link
- Question Selection in Paper – Manual / Auto load from Question Bank
- Notifications – Free Email notifications / Phone SMS on new paper.

How it Works

You have rights to know more about which you are buying. So we suggest you to checkout PaperShala demo before using our services. Both Admin panel & student panel available for demo but some features not available in the demo because of security reasons. **All demo data will reset after every 45 minutes.**

How to Start with PaperShala

Home > Start Guide

Start Guide

Thanks for choosing PaperShala

Follow below steps to conduct an online exam :

1. Add Group
2. Add Category
3. Add Sub Category
4. Add Users
5. Add Questions
6. Create Paper
7. Activate the paper
8. Now candidate can attempt the paper
9. Enjoy

If you need any help please write us at info@papershala.com OR You can call us at [+91 89638 11371](tel:+918963811371)

FROM USER END

The background is a dark blue gradient. It features several faint, light blue circular patterns. On the right side, there is a large circular scale with numerical markings from 0 to 210 in increments of 10. The scale has an arrow pointing upwards. There are also other circular patterns with arrows, some solid and some dashed, scattered across the background.

Question:

$$\left(\frac{3}{5}\right) + \left(\frac{2}{7}\right) =$$

Your Answer:

34/35

Correct Answer:

31/35

AFTER THE EXAM

The background is a dark blue gradient. It features several abstract circular elements: a large scale on the right with numbers from 80 to 210, a smaller scale at the bottom right, and various dashed and solid circular lines and arrows scattered across the frame. A solid blue rectangle is visible on the far left edge.
