”

Technology will not replace great teachers but technology in the hands of a great teacher can be transformational.

— George Couros

Career Startup...

- Appointed as teacher at GUPS No.1, Siddipet in August '98
- A school with 600 students without own building and proper infrastructure

First touch of Computer

- Joined a computer diploma course in 2000
- Dollar dreams collapsed with Twin Towers attack

First step ...

- Showed digital resources to students using personal laptop (2006).
- Major issues were - lack of proper connectivity, resources with local flavour.
- Resources are either low or higher level compare to student's level.

Exploring ...

- Still continued searching for e - resources.
- Started learning editing tools like adobe photoshop on own.
- Due to lack of proper guidance / training unable to master the tools.

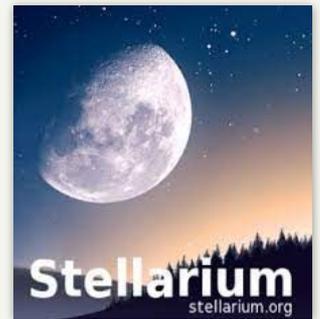

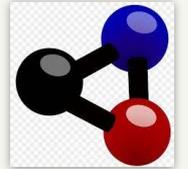

Upskilling...

- Recognised by Department of Education, Telangana and selected for Training in Developing Digital Content using FOSS tools, with collaboration of UNICEF in March - 2015

Upskilling...

Master Trainer

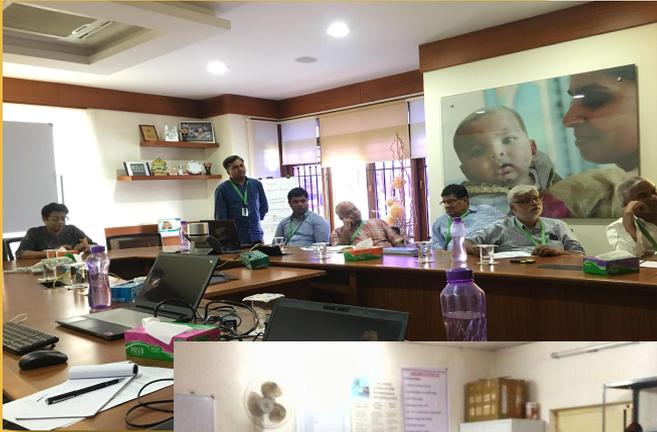

- Contributed services as Master Trainer in TOT programme.
- Trained around 200 Key Resource Persons of State - who trained other teachers in the state.
- These teachers made digital lessons which telecasted through MANA tv.

Master Trainer

ITDA (2017)...

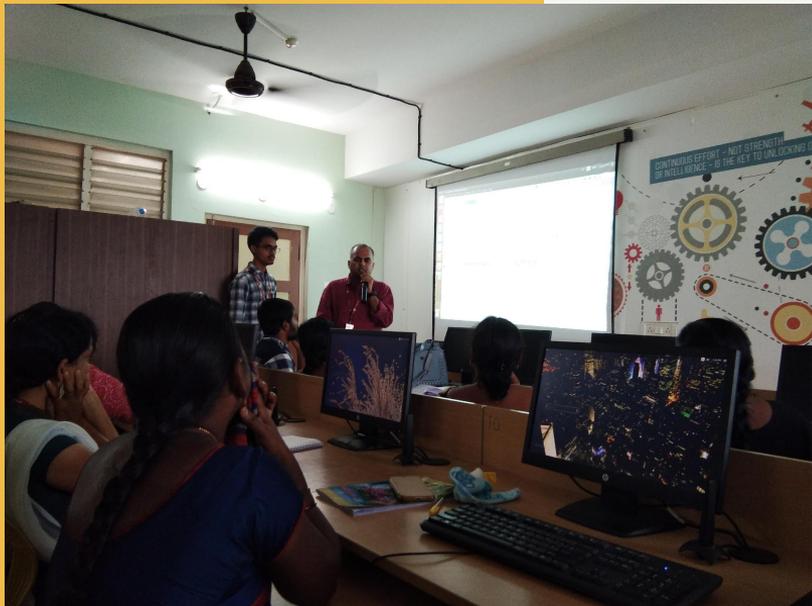

- UNICEF gave an opportunity as Master Trainer in ICT trainings for teachers of ITDA (Integrated Tribal Development Agency), Paderu of Andhra Pradesh. It helped the teachers to create their own resources relating to their native.

Master Trainer

KGBV (2017)...

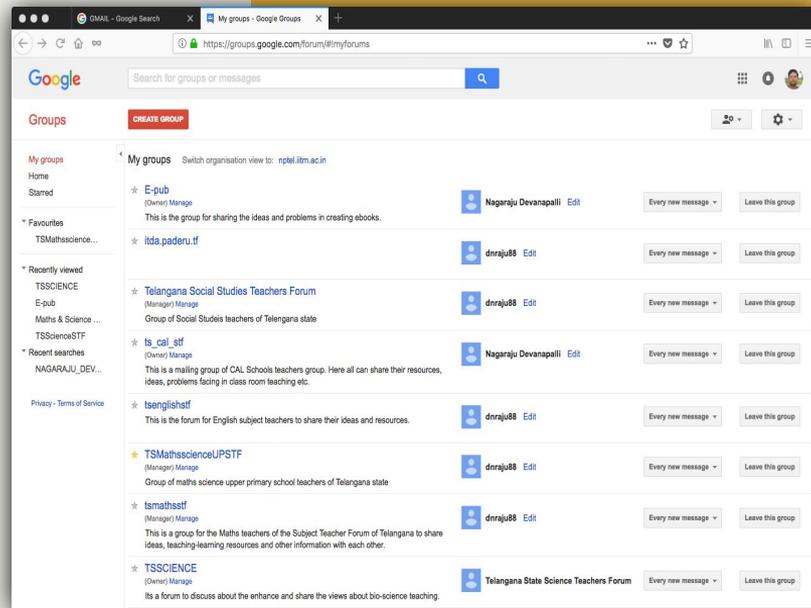

- I played a key role in designing and executing the ICT training by UNICEF to KGBV teachers of Andhra Pradesh which helped to get quality education to disadvantaged group of girls.

Collaboration

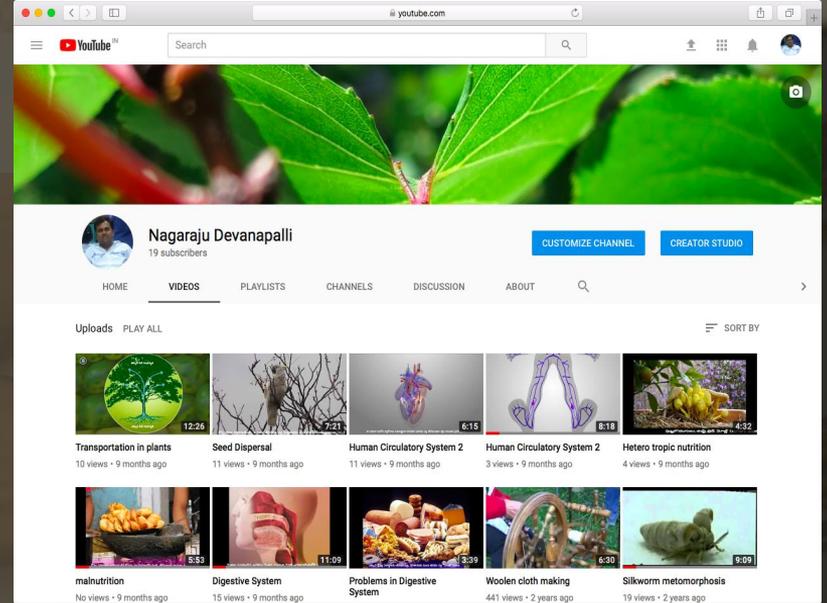

Google Groups - Subject Forums...

- Created Collaborative Community of Teachers by creating Subject Teachers Forums on Google platform. It paved the way to share the content and enhancing ICT skills.

Creation Of e-Resources

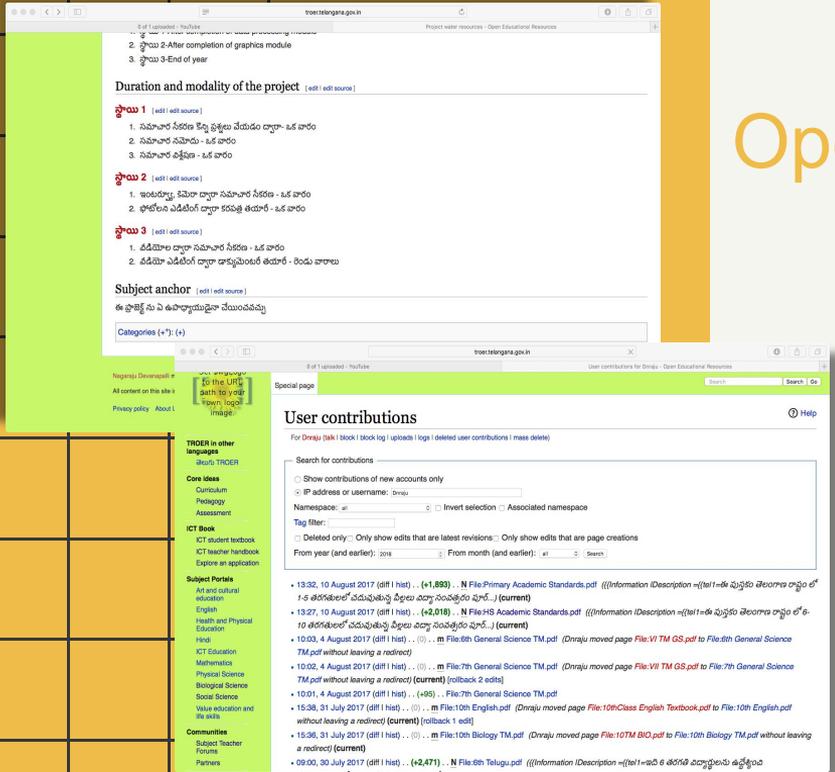

- Prompted me to start a channel on youtube and hosted Biological Science videos in Telugu

Contribution

Open Educational Resources

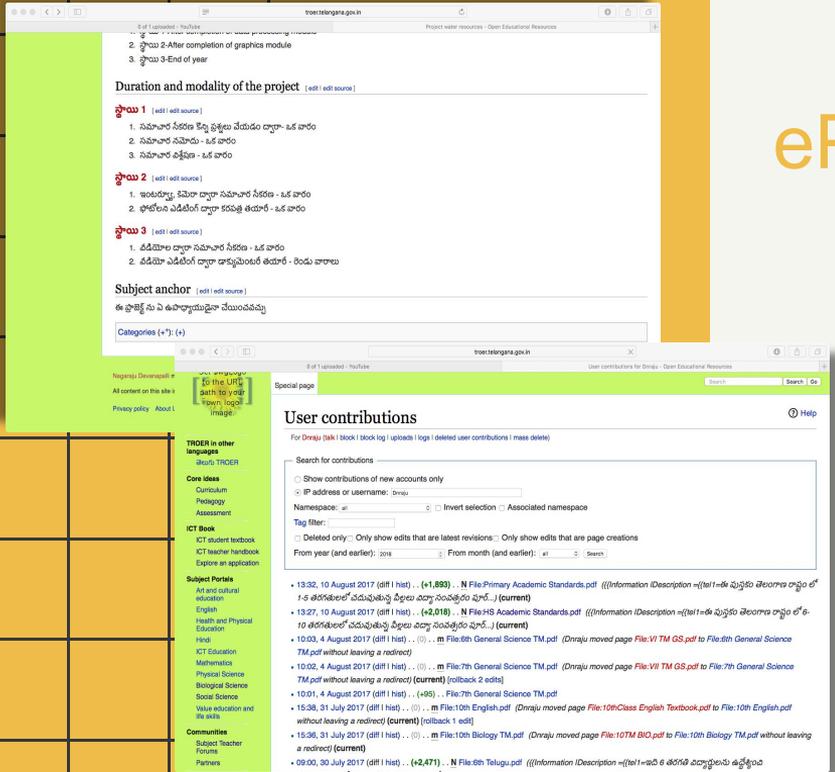

- To make available all the resources, School Education of Telangana created TROER. I played a key role Creating Metadata and other initiatives to strengthen the TROER.

Contribution

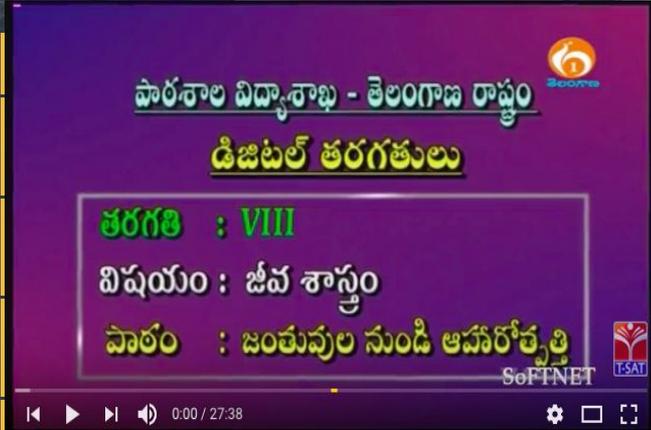

ePub...

- Actively involved in the process of Digitization of Text books a prestigious project of SIET with an initiative of CIET.

Contribution
