What is Make It?

- **Make It is a game and quiz-based learning platform**
- **Can create games and quizzes**
- **Share with others**
- **Monitor the learning**
- **Available for Apple, Android and Windows**

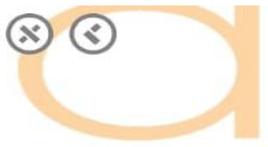

Interactive interface showing a sequence of boxes for letters A and B, with arrows indicating a path or sequence.

Interactive interface showing a sequence of boxes for letters G, H, E, D, F, and C.

Home screen of a quiz application. The main question is "WHAT IS HE ASKING?" with three answer options: SILENCE (marked correct with a green check), FOOD (marked incorrect with a red X), and GO TO SLEEP (marked incorrect with a red X). A sidebar on the left shows a list of other quiz questions.

Home screen of a matching game application. It features a grid of red boxes and two boxes containing the letters 'b' and 'c'. Lines connect the letters to boxes labeled 'HAPPY' and 'NOT HAPPY' in a matching puzzle format.
