Finding a Balance

- Take out time for physical activities everyday.
- Take a break after every 30 minutes of screen time.
- Use technology to build relationships.
- Set daily usage limits.

You have rights in
cyberspace too!

NEVER blame yourself. What is happening is not your fault. The only person at fault is the criminal.

- Talk to a trusted adult if you see something that bothers you, talk to your parents or teachers immediately.
- The criminal will continue troubling you, because they know you won't speak to anyone. Don't let them win

No one has any right to harass
you, online or offline.
