The image shows a character customization screen. At the top is a preview of a female character with dark, curly hair. Below the preview is a dark grey bar with a left arrow, a central button labeled "SKIN TONE", and a right arrow. A pink progress bar is located below the "SKIN TONE" button. The main area displays a grid of 12 oval skin tone swatches arranged in three rows and four columns. The first swatch in the top row is selected, indicated by a red checkmark icon.
