Following & Unfollowing

- On twitter, whom to follow and whom not to follow is completely one's personal decision.
- 'Following people' implies that the tweets shared by them will appear on our screen.
- When you unfollow someone, their tweets will stop appearing on your screen.

Due to unavoidable circumstances the

Tagging people/organisations on Twitter

- Tagging people/organisations in your tweets brings your tweet to their notification.
- Tagging can be done by typing @username of the person/organisation you wish to mention/tag.
- Tag intelligently. Ensure that you have tagged the right person. Avoid unnecessary untagging.
- Too much tagging makes your tweet look messed up.

Enjoy tweeting...

But remember the twitter etiquettes 😊

- Be mindful of what you post.
Your social media posts reflect your being.
- Be kind and respectful to others.
- Do not abuse people.
- Set a positive discourse on Twitter, inspire others.

Enjoy tweeting and remember these... 😊

- You have option to block or mute conversations of people who's post you do not like. Make use of the option, when needed.
- You are a wonderful being.
Don't judge yourself on the basis of likes and followers on Social Media or Twitter.

Thank you for your participation.

Stay safe, healthy and happy. 😊
