History of Vatican City - Roman life rome italy

🌐 RomanLife

While Roman myl at around 753 BC, the site has been inhabited for much longer, making it one of the oldest continuously occupied sites in Europe. The city's early population originated from a mix of Latins, Etruscans, and Sabines. Eventually, the city successively became the capital of the Roman Kingdom, the Roman Republic and the Roman Empire

Collaborate

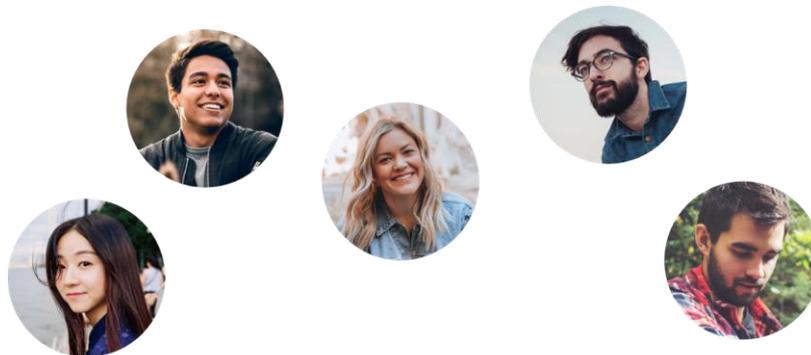

You can invite other people to collaborate on your collections.

Invite people using their Wakelet username or email address, or use the shareable link or code to allow people to contribute without signing up!

Share

When you've finished your collection you can choose to keep it private or share it with the world!

Make it public or share it with your friends, colleagues and students via email, on social media, or on Google Classroom.
