

About ePathshala

The Digital India campaign has promoted extensive use of ICTs in the teaching learning process. The ePathshala, a joint initiative of the Ministry of Human Resource Development (MHRD), Govt. of India and the National Council of Educational Research and Training (NCERT), has been developed for showcasing and disseminating all educational e-resources including textbooks, audio, video, periodicals, policy documents and a variety of other print and non-print materials.

Reaching out, bridging the divide

The platform addresses the dual challenge of reaching out to a diverse clientele groups and bridging the digital divide (geographical, socio-cultural and linguistic), offering comparable quality of e-content in multiple languages and ensure its free access at all times and all places. Apart from NCERT text books, e-book of other states are also available on this platform. Currently books are available in Hindi, English, Urdu, Mizo and Kannad.

The eBooks

Students, teachers, educators and parents can access ebooks through multiple technology platforms, i.e., mobile phones and tablets (as epub) and from the web through laptops and desktops (as flipbooks). ePathshala also allows users to download and carry as many books as their device supports. Features of these books allow users to read offline, select, zoom, bookmark, highlight, navigate, search, read in day/night mode and make notes digitally.
