Which skill do you think is most important for leaders?

What's most important to your audience?

Quickly learn about what is important to your audience to start off a discussion about leadership.

Add to my presentations

What words come to mind after hearing this keynote?

What are the takeaways from the keynote?

End the keynote with checking what the audience will take away from it, and give them the opportunity to ask questions.

Free Version Includes

Mentimeter is free for as long as you like with the Free plan. In this plan the following is included:

Unlimited audience size

Unlimited audience size means that you can present your Mentimeter presentation in front of an audience of any size and they can use a smart phone to interact.

Please note that quizzes are limited to up to 500 users.

All question types

With your free Mentimeter account you get access to all the different question types we have to offer and use them in your presentation.

Maximum two questions and five Quiz questions per presentation

With your free Mentimeter account you can create up to two questions and five quiz questions per presentation. You can create as many presentations as you like.

Security and privacy

In the free account, we reserve our right to anonymize your questions and use them to inspire other presenters.
