Festival Schedule

Curricula for Information and Communication Technology (ICT) in Education for School System

Department of School Education & Literacy
Ministry of Human Resource Development
Government of India

www.ictcurriculum.gov.in

The Curricula is organised into six strands:

Course Structure

The Diploma in ICT in Education course will be offered to teachers through blended mode with 3 Inductions and 20 Refreshers. For students, it is a general ICT course for class VI-VIII spanning across 3 years whereas for class IX-XII it is specific vocational courses.

Pedagogy

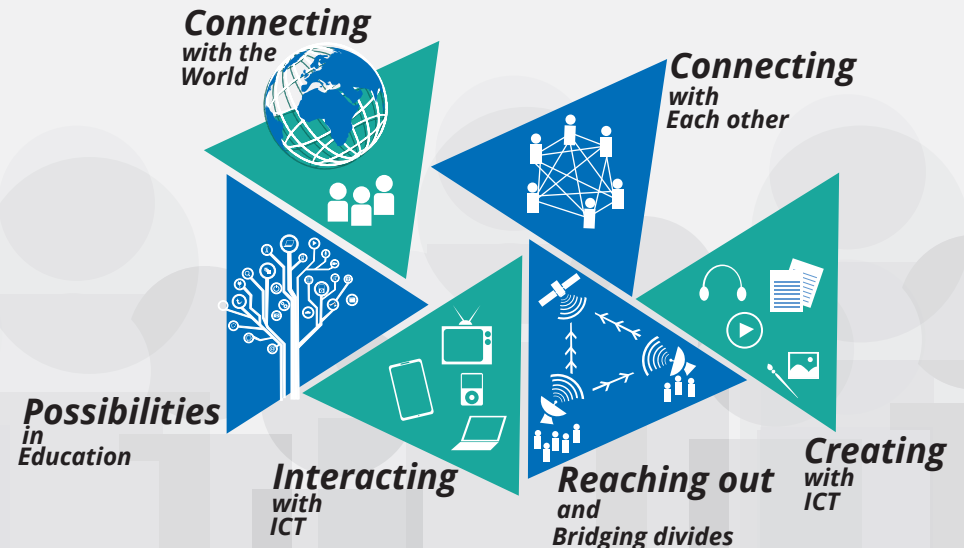

Each lesson of the course involves a teacher led session followed by hands on sessions ensuring learners' participation.

Certifying Agency

The Diploma course on ICT in Education for teachers would be awarded by the NCERT. The State Board of School Education may evolve a mechanism to certify the students on completion of the course.

Evaluation

Record of achievements through e-portfolio and summative assessments.

SWAYAM is an initiative by Government of India to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds)

A Massive Open Online Courses (MOOCs) Platform

NCERT offers MOOCs for School Education through SWAYAM

Courses are being offered for classes IX to XII in all subject areas
